PEUGEOT 605

SPECIAL EDITIONS

# POLISHED PERFORMERS

Seldom do special editions present themselves so boldly. In the case of these two new 605 special editions, they are both highly desirable propositions - the two litre Sceptre and the three litre Z6 - each offering a stunning package for discerning motorists.

The Sceptre symbolises all you would expect from the renowned 605, offering dynamic Pininfarina styling, ensuring the

levels of space and comfort demanded from an executive saloon. In addition, tailormade enhancements further the appeal both internally and externally, making it a formidable contender in the two litre class.

Z6 again embodies all of the 605 strengths, but this time in three litre form. Peugeot have selected a range of styling and refinement options, chosen against key criteria of executive

car performance.

With both the Sceptre and the Z6, Peugeot have created special editions of the 605 that effectively provide all the answers for the executive motorist and, eliminate the risk involved in your next business decision - your new car.

## INSIDE INFORMATION

A full appraisal of their virtues immediately shows that the 605 special editions are a strong match for the competition. The interior cabin space combines passenger comfort with an ergonomically designed driving position to make the task of driving a pleasure. To heighten your enjoyment, the Sceptre and Z6 provide the

convenience and performance of a remote control CD sound system, easily operated from the drivers seat. From there you can have access to a selection of up to six CDs, neatly stowed in the boot mounted autochanger.

Peugeot ride and handling needs little elaboration. Suffice to say that all occupants, whether front or rear, benefit from a level of ride in the Sceptre and Z6 that is the envy of the competition. Both are complemented by luxury tailored carpets to protect your investment.

## FINISHING TOUCHES

Those with a keen eye for a business deal will swiftly recognise the subtle differences that set the Sceptre apart. The rear aerofoil, reflector panel and special bodyside pinstripes offer the vital clues. Explore this car a little further and you will discover the electric windows and sunroof all part of this exceptional package.

The Z6 mirrors these features but with the addition of bodyskins and two tone alloy wheels rounding off this stylish proposition. Once inside you can enjoy the elegant interior which provides all the key controls from 5 function trip computer to automatic ride control at your fingertips.

Of course, it isn't just Peugeot who have given the 605 a high business rating. The motoring press also give the range high marks. However, Sceptre and Z6 build on this prowess and offer the executive motorist a choice of two and three litre models that are over class winners.

## THE FACTS

### SCEPTRE

- ◆ 2 litre 4 cylinder in line engine
- ◆ 5-speed manual transmission (optional 4-speed automatic)
- ◆ 3 way catalytic converter
